9. Incident Narrative

Statement of Mrs. Sarita Devi:

"I am a 68-year-old widow living with my son, Rahul, and his wife, Priya Sharma. For the past six months, there has been constant tension in the house regarding property shares. On the evening of April 10, at approximately 8:00 PM, while my son was away at work, Priya entered my room and began shouting at me, demanding that I sign over the title of our ancestral home to her name.

When I refused, she became physically aggressive. She grabbed my arm forcefully, causing me to fall against the bed frame, which resulted in a bruise on my left shoulder (Hurt). When I tried to leave the room to call for help, she stood in the doorway and refused to let me exit (Wrongful Restraint). She then threatened me, stating that if I told my son about the incident, she would 'make my life a living hell' and ensure I was kicked out of the house (Criminal Intimidation). I was kept in the room for nearly an hour until I heard my son's car in the driveway, at which point she left the room."
