9. Incident Narrative

Statement of Viki Malhotra:

"I, Viki Malhotra, resident of House No. 42, wish to report an incident that occurred this morning. For the past three months, I have been in a legal discussion with my neighbor, Mr. Ramesh Khanna, regarding a 4-foot strip of land that belongs to my property as per the government land records.

At approximately 10:30 AM today, I noticed Mr. Khanna and two unidentified laborers forcefully breaking down a portion of my existing garden fence to begin unauthorized construction of a brick wall on my property. When I approached them and asked them to stop until the civil court reached a verdict, Mr. Khanna became extremely aggressive.

He entered my porch (Trespass), used abusive language, and threatened me with 'dire consequences' if I interfered with his work (Intimidation). When I tried to record the activity on my phone, he pushed me onto the gravel, causing minor abrasions to my right elbow and knee. The laborers continued the work under his instruction until my neighbors gathered, at which point Mr. Khanna retreated to his house, shouting that he would 'settle the score' tonight."
